COMMISSION

This authorization becomes invalid and must be returned to the Commission if the stations are not placed in operation within eight months, unless an extension of time has been granted. EXCEPTIONS: 1) 800 MHz trunked and certain 900 MHz station licenses cancel automatically if not constructed within 1 year 2) IVDS authorizations automatically cancel if service is not made available in accordance with Section 95.833(a) of the Commission's Rules 3) There are no time limitations for placing GMRS stations in operation.

FCC 574-L April 1995

CONDITIONS OF GRANT

- A. Subject to the provisions of the Communications Act of 1934, as amended, subsequent acts, treaties, and all regulations heretofore or hereafter made by this Commission, and further subject to the conditions and requirements set forth in this authorization the licensee or permittee hereof is authorized to use and operate the radio transmitting facilities herein described. This authorization shall not vest in the licensee or permittee any right to operate the station nor any right in the use of the frequencies designated in the authorization beyond the term hereof, nor in any other manner than authorized herein.
- B. Neither this authorization nor the right granted herein shall be assigned or otherwise transferred to any person, firm, company, or corporation except by specific authorization of the Commission.
- C. This authorization is issued on the licensee's representation that the statements contained in licensee's application are true and that the undertakings therein contained, so far as they are consistent herewith, will be carried out in good faith. The licensee shall, during the term of this license, render such service as will serve public interest, convenience, or necessity to the full extent of the privileges herein conferred.
- D. This authorization is subject to the right of use or control by the Government of the United States conferred by Section 706 of the Communications Act of 1934, as amended.
